

CALIBER ACCESS DOOR

FEATURES

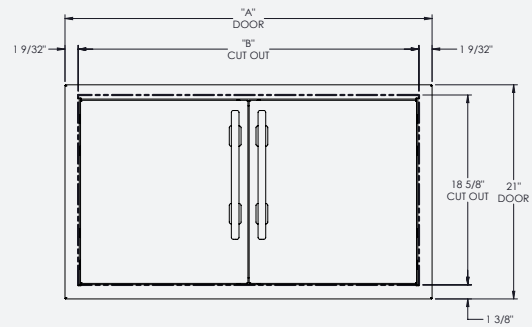

Crafted from 300-series stainless steel, the Caliber Access Doors offer durable, customizable storage beneath your Rockwell grill, delivering seamless access to utilities and under-grill storage in 36", 42" and 48" widths.

- Built-in for seamless integration into your luxury outdoor kitchen.
- 304-series stainless steel interior & exterior.
- Fully customizable – available in any True Caliber standard finish and hardware pairing.
- Coordinates with your Caliber Rockwell grill and True undercounter refrigeration – creating a cohesive outdoor kitchen lineup.
- Handcrafted in America – precision-engineered with the same durability and attention to detail as True refrigeration and Caliber grills.
- Features a removable, easy-to-clean storage shelf on the interior door.
- This item does not include a cabinet – door insert only.
- Note: Do not store propane tanks under or near the appliance.
