

THE SIGNATURE ROCKWELL - 60" SOCIAL GRIDDLE - LIQUID PROPANE

CRG-60SL01-A-193W00-H04

DESIGN

- World's first social griddle with a disappearing lid – enjoy a 360° entertaining experience with unobstructed views while cooking.
- Crafted from 300 series stainless steel, the griddle plate features a patent-pending heat baffle to ensure even heat distribution and eliminate hotspots for greater cooking precision.
- Designed in collaboration with architect David Rockwell – merging culinary performance with architectural sophistication.
- Exclusive Signature Crimson finish – a bold, nostalgic red inspired by the warmth of a summer picnic table; vibrant, inviting, and unmistakably social.
- Freestanding statement piece – available with either locking casters for mobility or levelers for permanent installations.
- Premium materials – crafted from marine-grade aluminum and anchored by a handcrafted sapele wood base, built to withstand the elements while elevating any outdoor space with a furniture-inspired presence.
- Fully customizable – available in any True Caliber custom finish and hardware, to pair perfectly with True undercounter refrigeration creating a cohesive luxury outdoor kitchen lineup.
- Ideal for outdoor entertaining – transforms the cooking experience into a shared, social centerpiece.
- Built and handcrafted in America – precision-engineered with the same durability and attention to detail as True refrigeration.

FEATURES

- Expansive 60" width with 546 sq. in. cooking surface – professional-grade griddle with integrated side surface for prep or plating.
- Two 16,000 BTU Patented Crossflame® Burners in 304 Stainless Steel.
- No external power required – integrated Piezo ignition for instant, reliable starts anywhere.
- Integrated grease management system – easy-to-clean design with accessible pull-out tray.
- Pull-out tank shelf for LP models only.
- Two flash tubes flanking the griddle allow for an alternative lighting method.
